Nancy—

Per your request, we have updated the briefing paper. The only piece that remains open is the recommendation regarding the 24(c) requests. The mid-point check-in meeting is next week (May24th). We'll have a recommendation to add to the paper after that meeting.

We'll add the relevant dates to the briefing paper. I'm sure it will go through a few more iterations before the briefing.

Thank you Rick for both these emails. I'm making my way through it all and its very helpful. For the Cannabis briefing paper, can you please add the relevant dates. Is May 24 day 45?

Subject: Pesticide items

Rick,
I met with Samantha today about clearing the backlog. There are a few items that are ready to go and I will read those this weekend (2 tolerance notices).

If all/ some of this is not workable just let me know and we can figure out something more efficient.

Thanks!
